

# Snow White and the Seven Dwarves

Long long ago beautiful baby girl was born parents King Queen

happy daughter Snow White sadly died married again unfortunately

new proud vain she wanted woman gazed into magic mirror

wall who fairest replied you are eventually grew then dreadful

amazement actually rage snarled decided immediately huntsman

forest kill after that deeper luckily kind heart ran cottage knocked door

tiny table seven chairs smell bread honey hungry tired asleep dwarves

returned stranger kind meanwhile still furious tricked

growled poisonous apple disguised gold mine work juicy

instantly fell wicked cackled bury glass coffin

handsome prince riding knelt kissed astonishment eyes

overjoyed bride everyone palace lived happily ever after
