

## The Carol Singers Front door challenge

Susie has called at lots of houses, all of their doors are slightly different. Can you help her remember which door is which? Read the clues on the next page and write the right numbers on the right doors.

Number 2 has a circular window at the top of the door, a handle on the right hand side and a horizontal letterbox in the middle. The handle is on the right hand side.

Number 4 has two square windows at the top of the door and a vertical letterbox in the middle of the door. There is a handle on the right hand side.

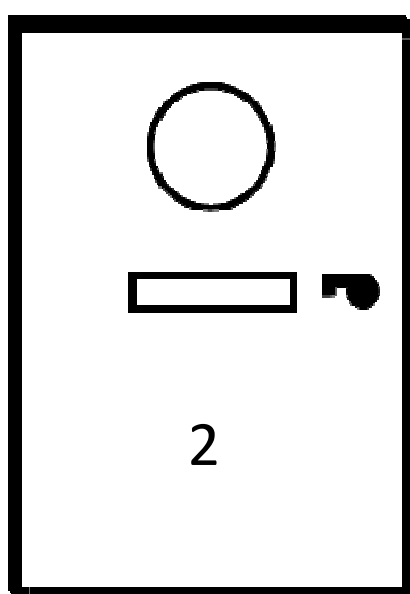

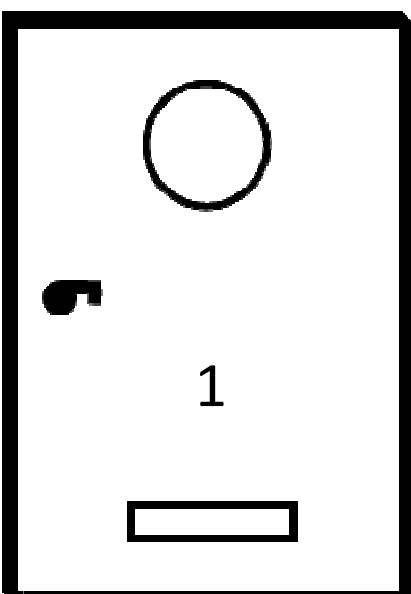

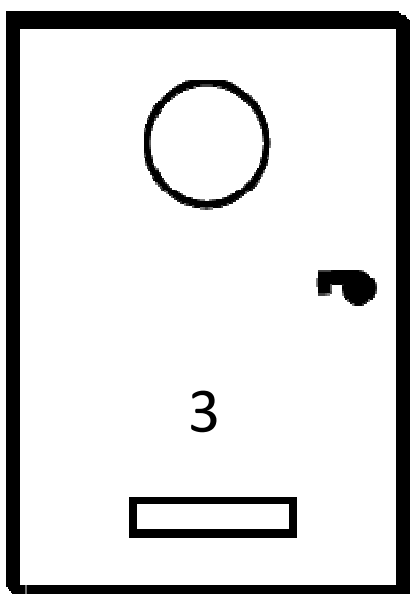

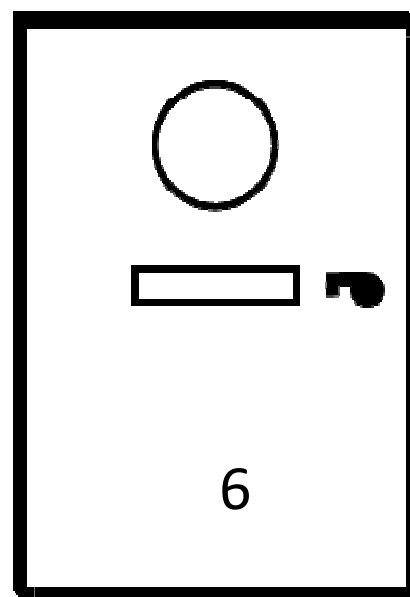

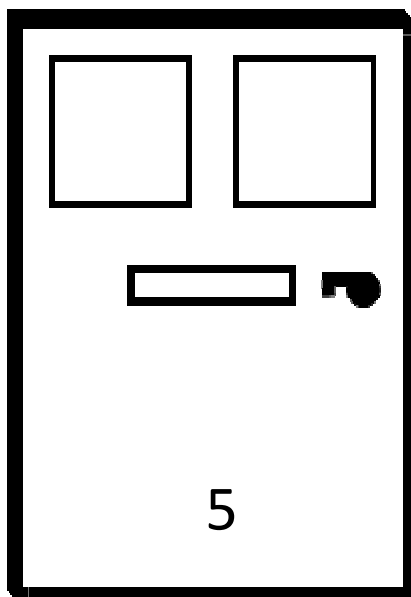

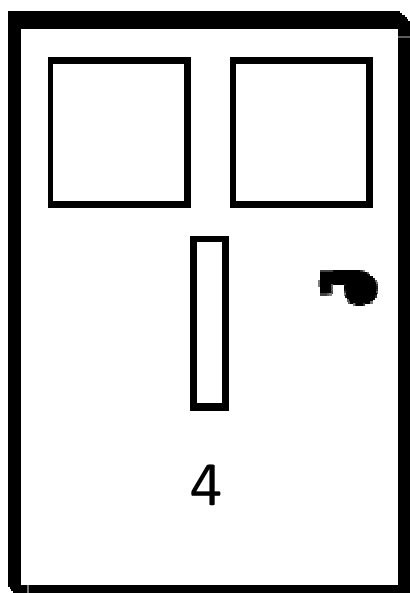

Number 1 has a round window at the top, a handle on the left hand side and a horizontal letterbox at the bottom.

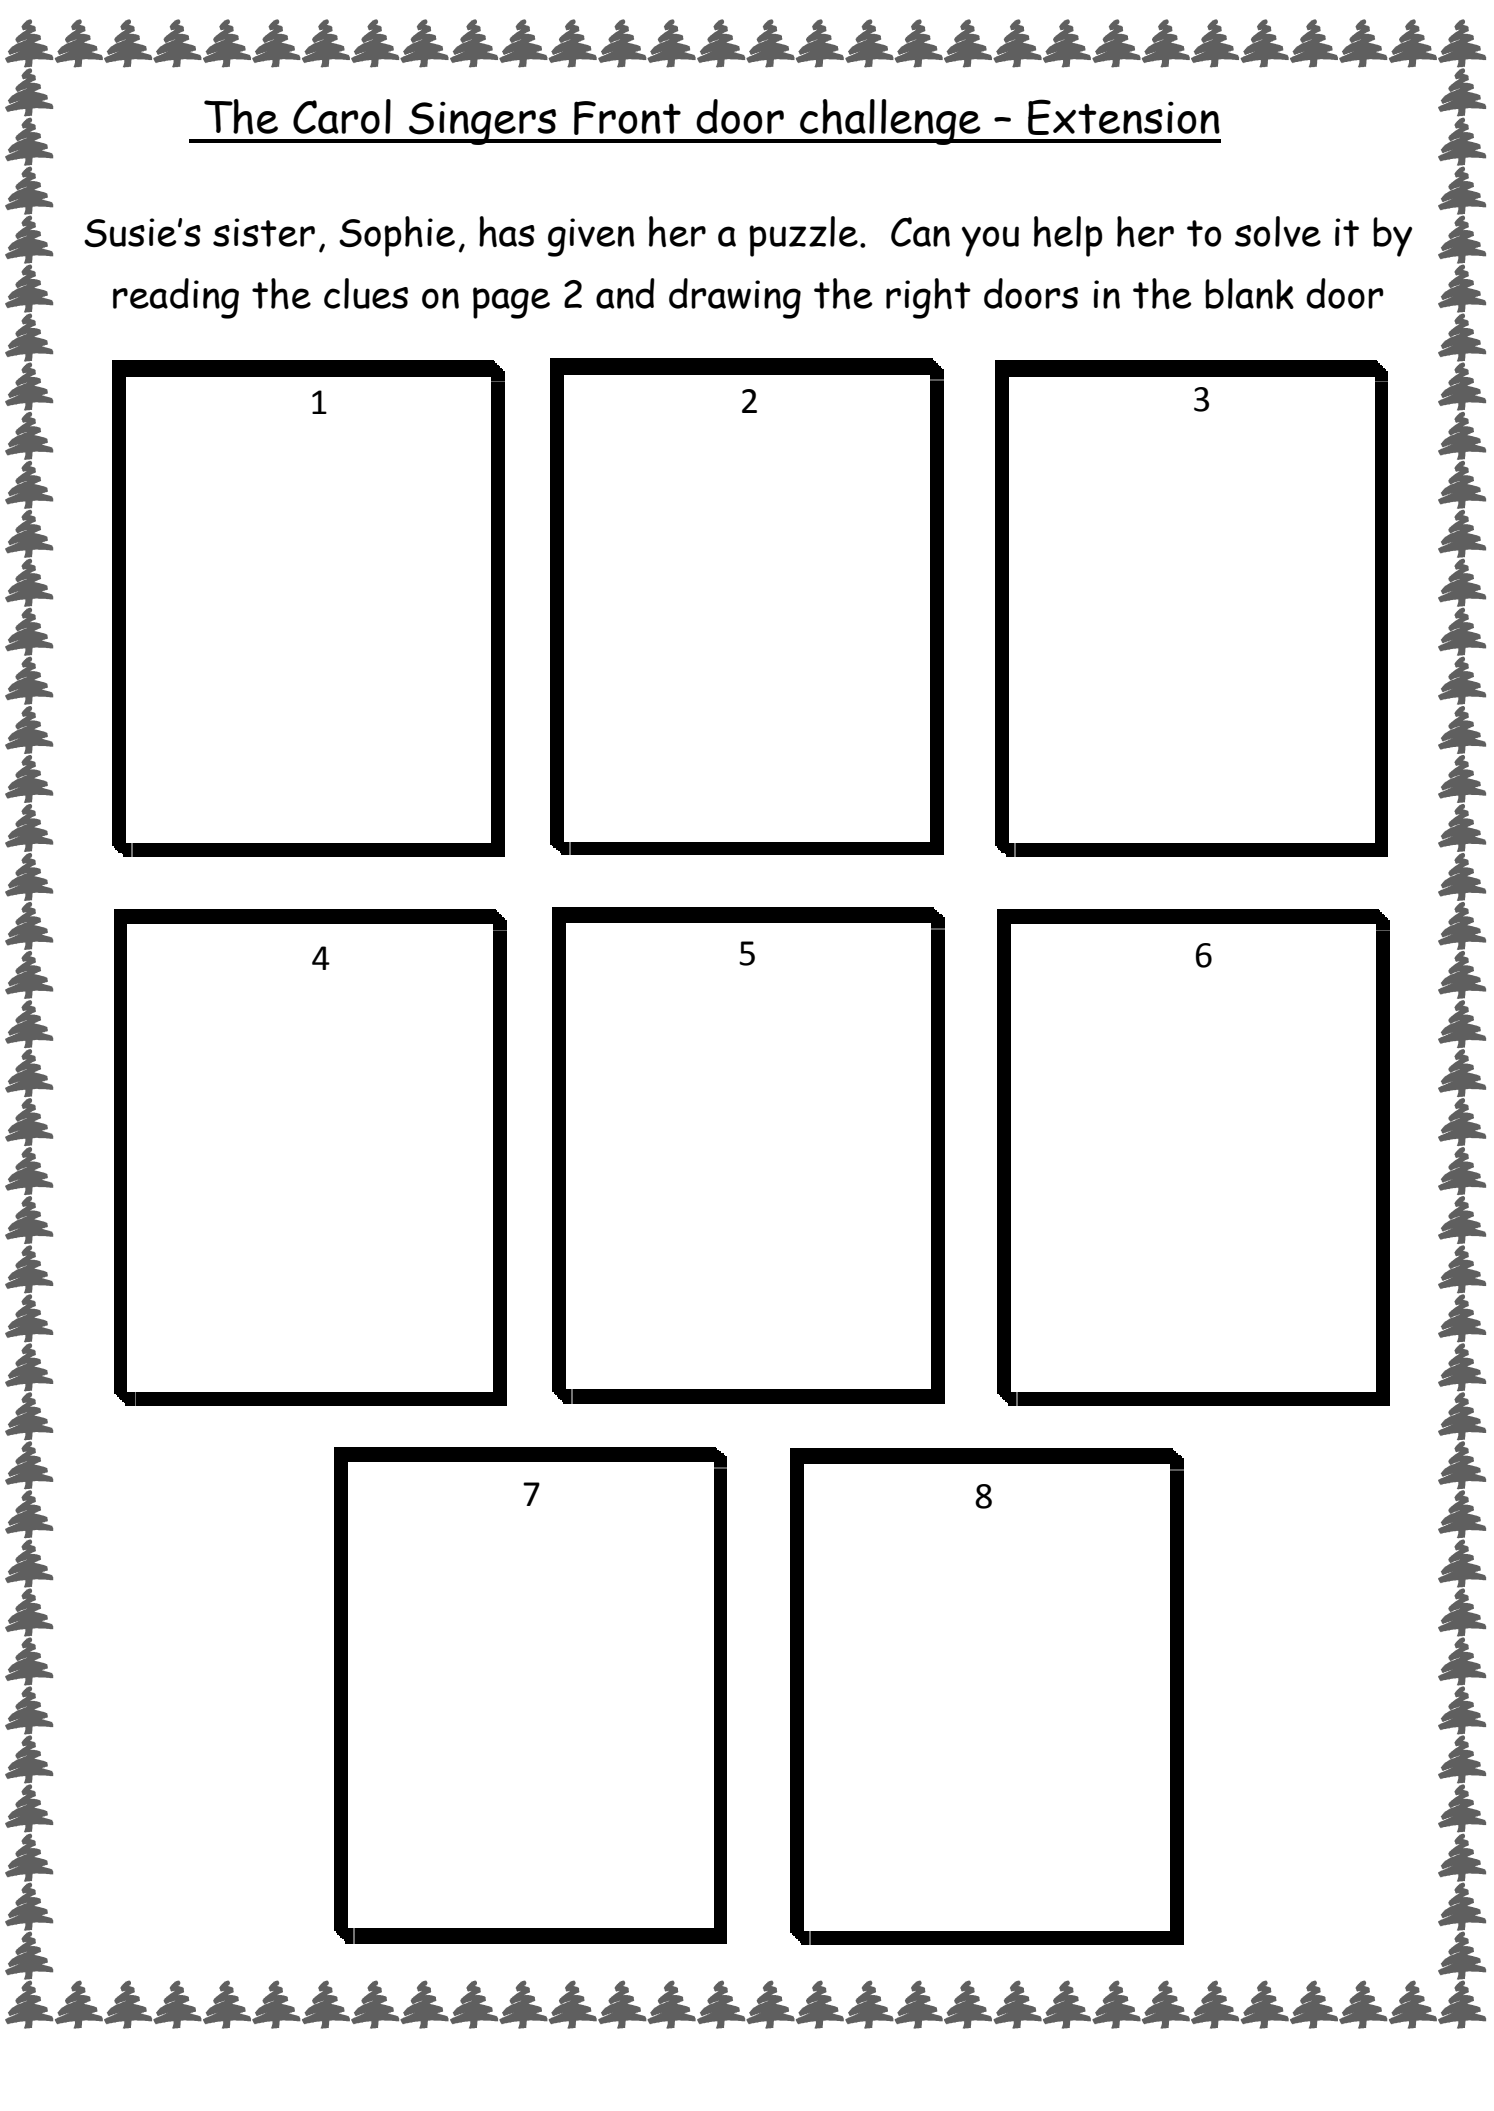

Number 3 has a circular window at the top of the door, a horizontal letterbox at the bottom of the door and a handle on the right hand side.

Number 6 has a circular window at the top of the door, a horizontal letterbox in the centre of the door and a handle on the right hand side.

Number 5 has two square windows at the top of the door, a horizontal letterbox in the centre of the door and a handle on the right hand side.
