

## **Money Pairs Game**

A Memory and Matching game for 2 to 6 players.

1. Print out and laminate the sheets of prices and coin combinations.
2. Cut each sheet to make individual cards.
3. Shuffle all cards well then randomly arrange face down.
4. Children take turns to turn over a pair of cards to try and find a matching pair of price and coin value. If the pair turned over does not match they must be replaced face down again in original position.
5. Play continues until child matches a pair of cards . Once they have a pair, they keep it and have another turn.
6. Play continues until all cards have been paired. The winner is the child with the greatest number of paired cards.
