Topic Resources

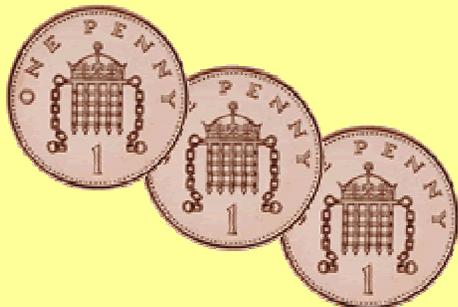

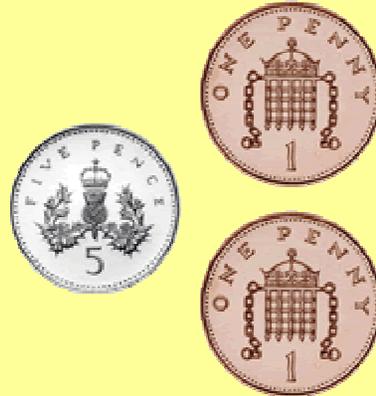

Money Bingo - instructions for use.

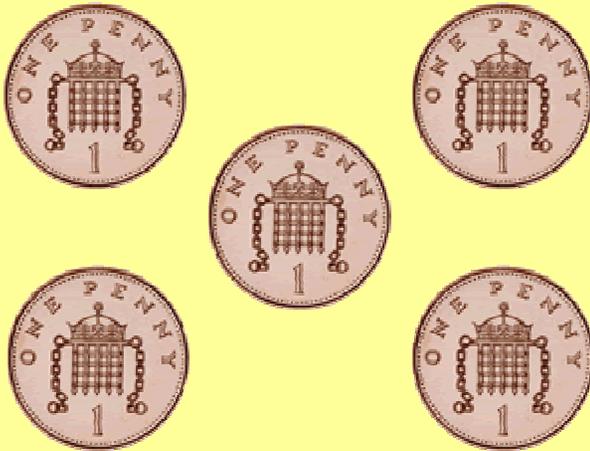

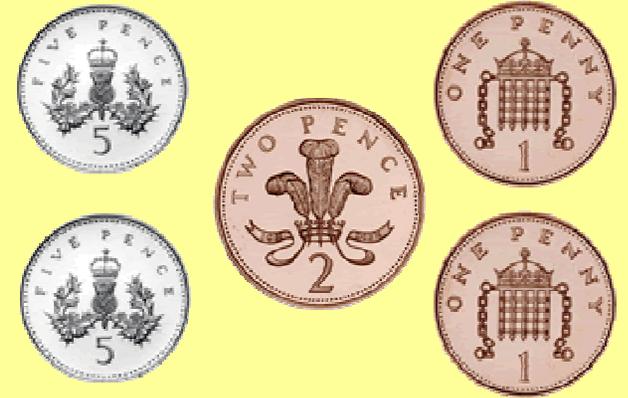

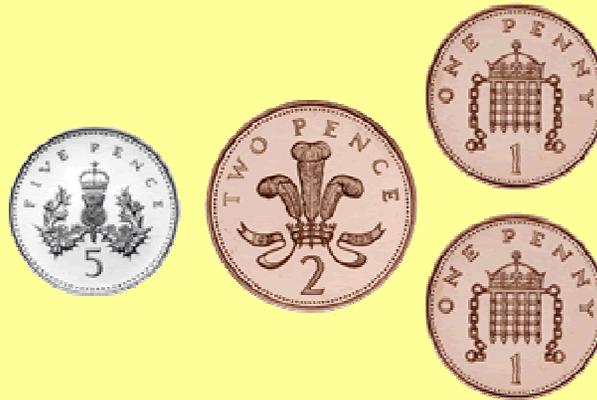

A simple bingo game based around coin combinations from 1 to 15p.

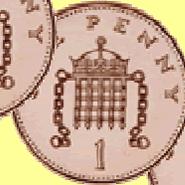

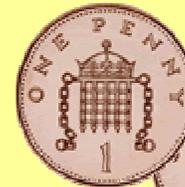

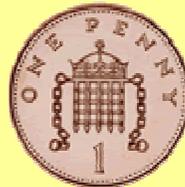

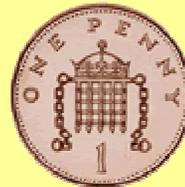

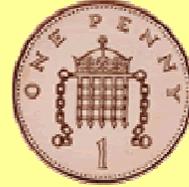

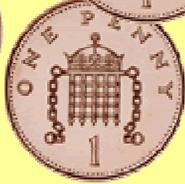

- Print out sheets and laminate. Cut out prices.
- Distribute bingo cards to a small group of children.
Provide the children with counters, bricks or pieces of card to cover the coin combinations when called out.
- First player to cover the whole card or 4 corners or diagonal line wins.

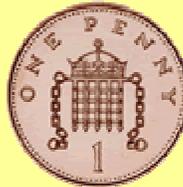

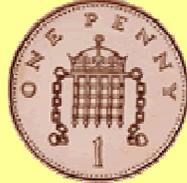

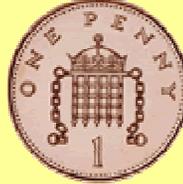

Suggestion

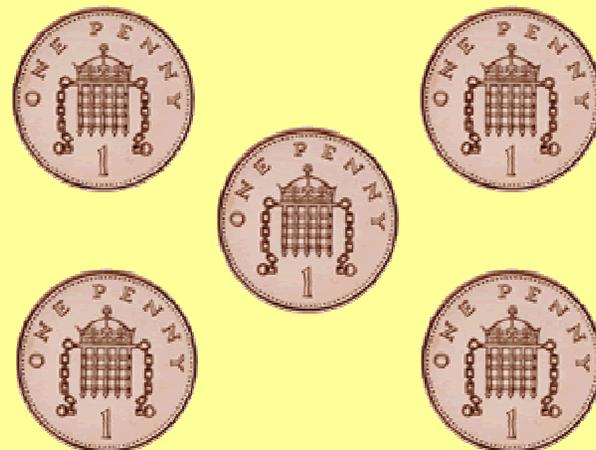

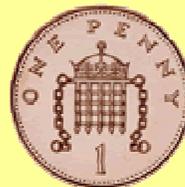

Give price cards to a child who has to read them to the other players.
