

Jenna's Family Tree

Jenna and her Mum, Kelly have been studying their family history. They have been asking their relatives and looking at old family documents. They have concentrated on the females on Kelly's side of their family and in particular, the dates of birth of their mothers and grandmothers.

Name	Born	Died	Relationship to Jenna
Sarah	1885	1952	Great, great, great grandmother
Agnes	1910	1948	Great, great grandmother
Margaret	1930	2001	Great grandmother
Mary	1960		Grandmother
Kelly	1983		Mother
Jenna	2003		

Using the data from the above table, can you work out the answers to the questions on page 2?
