

Name: _____

Can you use your eye colour
block graph to work out the answers to these questions?

How many children have brown eyes?

$$\boxed{\text{brown eye icon}} = \boxed{}$$

How many children have green eyes?

$$\boxed{\text{green eye icon}} = \boxed{}$$

If you counted all the children with brown eyes
and green eyes how many would there be
altogether?

$$\boxed{} + \boxed{} = \boxed{}$$

If you counted all the children with grey eyes and
blue eyes how many would there be altogether?

$$\boxed{} + \boxed{} = \boxed{}$$
