

Fruit and Vegetable Dominoes

A simple word recognition matching game for 2—6 players.

- Print off the 7 sheets of cards (for best results set printer settings to **A4**), laminate, cut each page into 4 tiles, horizontally in pairs, giving 28 cards.
- Deal cards out to players, 4 or 5 each, place rest of cards in middle of the table.
- Ask players to pick up their cards and ask who has the double apples card (i.e. a picture of an apple and the word **apples** (If no one has apples then ask for a lettuce card).
- The next player clockwise has to match an apples card from their hand with the apples card laid.
- Initially, it can be either a picture or a word. Double cards are placed at right angles to the chain.
- If a player has no apples card, they must pick a card up from the pile, this constitutes their turn.
- Play continues until one player has played all their cards and is called the winner.
