☐

Hundreds of years.

☐

Millions of years.

## 2. Why are dogs often called “Man’s Best Friend”?

---

---

## Types and Breeds of Dogs

There are lots of breeds and types of dogs. Dogs come in all different shapes and sizes. Different breeds look different, but most dogs have large teeth, can run fast and jump, have strong muscles and a strong sense of smell.

Some breeds make very good working dogs. Jobs that dogs perform include hunting, police work, rescue work, and guide dogs for the blind. Because dogs are clever and willing to be trained, they make great companions and work animals.
